

Dishwasher

For more than 131 years and four generations, J.C. Newman Cigar Co. has handcrafted the world's finest cigars in the heart of Tampa's historic Ybor City. Our factory, El Reloj, is the last operating hand-rolled cigar factory in the United States—a living landmark where more than 25,000 guests from around the world visit each year to experience Tampa's cigar heritage.

In late 2026, we will open three new hospitality experiences inside a beautifully restored 1910 building across the street from El Reloj: **Elaine's**, a classic American restaurant with continental and local influences serving breakfast, lunch, and dinner; **Stanford's Cigar Club**, a premium cigar lounge built around an exclusive barrel-aged spirits and reserve red wine program; and **The Inn at El Reloj**, eleven beautifully appointed guest rooms upstairs from Elaine's. Together with our private events programming on both sides of the street, they form the El Reloj District, a hospitality destination unlike anything else in Tampa.

We are seeking a dependable and hardworking Dishwasher to support our restaurant operations by maintaining a clean and sanitary environment. This role is ideal for someone who takes pride in behind-the-scenes work that keeps the entire team running smoothly.
